Alvin Gee Photography General Portrait Information

Designing Your Portrait

Alvin Gee is a master craftsman in the art of photography. In designing your portrait, he incorporates your thoughts and ideas in creating a portrait that is uniquely yours whether it is taken in the studio or in your home. All photographic sessions are scheduled by appointment during regular studio hours.

Clothing Conference

The correct attire is essential in creating a beautiful portrait. A personal clothing conference with Mr. Gee is highly recommended to help you choose the best style and color combinations for your portrait. Long sleeves and simple necklines are recommended. Ladies should have cosmetics available for touch ups before the photo session.

Selecting Your Portrait

Viewing the selections from the portrait session will be made during a slide show presentation in our studio with the help of our professionally trained staff. We recommend that all persons involved in the purchasing decision be present.

Payment Options

The photo session fee is due on the day of the portrait session. Portrait orders are to be paid in full when the order is placed. We accept checks, cash, and credit cards (American Express, Discover, Mastercard, and Visa).
