ALVIN GEE

PHOTOGRAPHY

Fine quality portraiture since 1979

Preserving life's most cherished moments is a challenge. Alvin Gee meets this challenge using his professional expertise to create your personal collection of wedding memories.

Nationally recognized as a master photographer, Alvin Gee has earned the reputation as one of the finest wedding and portrait artists in the country. Mr. Gee's work is available to discerning clients throughout the Houston area.

Studio Policies and Information

To enable us to best serve you and your wedding, we will need your cooperation with the following:

1. A final consultation with Alvin Gee to confirm all arrangements must be held within two weeks prior to the wedding. Please make a list of special requests you would like included in your photography coverage. We strongly advise that persons be appointed from each side of the family to direct special guests to the photographer. We will make every effort to deliver the photographs you request.

2. A retainer fee of **\$1000** is required to reserve Alvin Gee Photography. The balance is due two weeks before the wedding. The studio is not bound to a date until the required retainer fee is paid.

3. The bridal party must be ready for photographs one hour before the ceremony. We cannot be held responsible for photographs missed because of late attendance.

4. Please allow twenty minutes after the ceremony for formal photographs.

5. Well-meaning friends and relatives who bring video equipment and cameras often hamper our efforts and standards of quality. We must insist that we remain the only photographer on the scene. Please request that friends and relatives confine snapshots to the reception and not take photos during our scheduled sessions.

6. Digital negatives and originals in the preview albums remain the exclusive property of Alvin Gee Photography. It is agreed that rights to exclusive use of digital negative material and reproductions, including copyright, are reserved by the studio.

7. All preview albums must be returned to our studio within four weeks from check-out date. Alvin Gee Photography reserves the right to bill the client for preview albums not returned after six (6) months after date received.

8. Each wedding photographed will be considered "one" order, no matter how many individuals are to receive photographs. There will be no separate billings.

9. Retouching of wedding candids (i.e. removal of blemishes) will be an additional charge.

10. We accept American Express, Visa, MasterCard, and Discover.

11. All prices are subject to city and state sales tax. All prices subject to change without notice.
